8th Annual

On The Trail...Happy Trails, that is. It's time for another Sawtooth Showdown.

This is our annual fun team match and charity fundraiser. Here's how it works...

Each team will include one man and one lady. Both members of the team will shoot each main round as normal, lady against lady and man against man. You can pair up in advance and come together as a team or just show up and let us assign you a teammate. Due to the limited number of lady shooters, each lady in attendance could get assigned to more than one team.

In each round, the winning lady and man will receive one point each. The losing lady and man will receive zero points. At the end of the round, one team could have two points, if both the man and lady won their round. One team could have one point or no points.

This is a Come to Shoot format for 7 rounds. At the end of the 7th round, ALL teams will be seeded in a single elimination (1X) Championship Shoot-off. Allowing every team the opportunity to shoot their way to first place!

The team points earned throughout the match will determine the seeding. If there is a tie, a coin toss will determine if we will check the 7th round for the ladies or for the men to find the fastest time.

In the Championship Shoot-off, only one member of the team will shoot. A coin toss will determine whether the ladies or the men shoot the round. The team member who does not shoot should not go anywhere because if their teammate wins the round, a coin toss will again determine whether the man or lady shoots. If the coin falls for the ladies to shoot, but the same lady is on both teams, the bout will default to the men shooting. The last standing team earns the Championship title and the Happy Trails Children's Foundation buckles. Trophies/plaques go to 1st – 5th place teams.

During the match, we will hold a silent auction with the proceeds to benefit Happy Trails Children's Foundation so if you have items to donate, please contact us in advance or just bring them with you. We will also have the coveted fun match and drool-inducing Dutch oven lunch (expertly prepared and donated by C&R Wax) available to bid on in the live auction.
